3. Children's Area, Exhibits, Farmer's Market, Music
4. Animals, Exhibits, Quilt Display, Hatching Chicks

This is the "Last Green Valley" because we have working farmland and forests. We can keep farms in business by:

- Buying food, fiber and forest products from local farms, businesses, Farmer's Market & Farm Stands
- Asking for local foods in grocery stores
- Supporting town and state legislation that encourages smart growth and keeping productive farms, and forests, for our present and future generations.
